

GUIDE FOR ONLINE PARTICIPATION AKER SOLUTIONS ASA APRIL 16, 2026

Aker Solutions ASA will hold its annual general meeting on April 16, 2026 at 10:00 am CEST as a digital meeting, where you get the opportunity to participate online with your PC, phone or tablet. Below is a description of how to participate online.

We also point out that you also can vote in advance or give a proxy before the meeting. See the notice for further details on advance voting and how to authorize a proxy. If you vote in advance or give a proxy, you can still log on to the general meeting to follow and ask questions, but you will not have the opportunity to vote on the items.

By participating online, shareholders will receive a live webcast from the general meeting, the opportunity to ask written questions, and vote on each of the items. Secure identification of shareholders is done by using the unique reference number and PIN code assigned to each shareholder by the Norwegian Central Securities Depository (**Euronext VPS**) in relation to this General Meeting.

No registration is required for shareholders who want to participate online, but shareholders **must be logged in before the general meeting starts**. Log ins after meeting has started will receive access, but with no voting rights.

Shareholders who do not find their reference number and PIN code for access, or have other technical questions is welcome to call DNB Registrars Department on phone + 47 23 26 80 20 (between 08:00-15:00)

HOW TO VOTE

VOTING

Matters to be voted on will be pushed to your screen when voting is due. If necessary, click on the VOTING option when available. Normally, all matters will be available for voting at the start of the meeting, and you can vote as quickly as you wish on all matters.

To vote, select FOR, AGAINST or ABSTAIN, and you will see a confirmation text with your choice.

You may also be given an option where you can vote collectively on all matters. If you use this option, you can still override the voting direction on individual matters if desired.

You can change or cancel your votes as many times as you like, until the meeting chair closes the voting on the individual matters. Your last choice will be valid.

NB: Logged in shareholders who have voted in advance or given a power of attorney will not have the opportunity to vote but can follow and write messages if desired.

QUESTIONS TO THE CHAIR

MESSAGING

Written questions or comments on the items on the agenda can be submitted by shareholders throughout the general meeting.

To view published questions from other shareholders, or if you yourself wish to ask questions or comment on any of the items on the agenda, select MESSAGES

All shareholders who submit questions or comments will be identified to other shareholders by name, but not by shareholding.

Questions submitted online will be moderated before they are published and will be sent to the meeting chair. Submitted questions will therefore not necessarily appear immediately. If you have technical questions or similar, you will be able to get a direct answer from the moderator that only you will see.
